★ THE FIRST BAPTIST CHURCH
★ Longview, Texas

The sanctuary, 92 feet high, seats 1,700 people; the chapel seats 260. Housed in the building is the 87 rank Skinner organ. The Children's building cares for more than 500 from birth through eight.

Not shown in the picture are five other educational buildings. Dr. W. Morris Ford is pastor of the 3,000 member church.

We were happy to see you in our church Sunday. It is our sincere desire to lead all people closer to the Lord. If the worship hour helped you, then we rejoice in it.

Come again whenever it is possible. No one is a stranger twice in our church. If you were helped, pass the word along to someone else.
